Minute order states Mr. Boylan requests a fee waiver for the Petition for Final Distribution; the court denies the request. Mr. Boylan represents that he does not expect further monies to be received from the litigation, but the Administrator is ill and he requests 6 months. If the petition is filed at least 2 court days prior to 9/22/15, then no appearance is necessary on 9/22/15. 1. Cont. from 031414, 032015	Inventory and Appraisal, part 1, filed 2/26/14 showing a value of \$4,262.28.

Verified	Petitioner retained the law firm of Weitz & Luxenberg in New York State to represent her in the processing of the mesothelioma wrongful death class action lawsuit being handled by that firm outside California.	
Inventory	The New York firm insisted Petitioner obtain California Letters of Administration so as to process the settlement of the wrongful death action.	
PTC	As of March 5, 2015 Petitioner has received settlement funds in the total amount of \$4,262.28 from the mesothelioma wrongful death action. Said funds were deposited into an account dedicated for the Estate.	
Not.Cred.	No additional funds have been received since the filing of the inventory and appraisal.

File 7 – Ohanesian

Page 2

Petitioners state (Continued): In addition, the Co-Administrators have received unfavorable reassessments from the Fresno County Tax Assessor on the real properties, and have appealed the reassessments by way of filing Applications for Changed Assessment relating to Notices of Supplemental Assessment, and they are awaiting the assignment of a hearing date by the Fresno County Board of Supervisors. The Co-Administrators also stand ready to work directly with the Fresno County Tax Assessor if and when the opportunity presents itself to possibly arrive at a compromise and settlement of the proposed real estate tax assessments associated with the change of ownership occasioned by the decedent's death.

Very recently, the City of Fresno adopted a new general plan affecting, among other things, the real property on Peach Avenue. The plan designated 16 acres more or less out of the Peach Avenue property for park purposes. The Co-Administrators protested the plan as it related to the estate property and were successful in getting the plan modified such that the designation for park purposes covering the estate's property was reduced to 4 or 5 acres. The purpose of opposing such a large number of acres designated as park was in the best interest of the estate because with fewer acres in the designation, the options of a prospective buyer/developer of the real property are enhanced, making the property more marketable.

Besides all the real property included in the I&A, the Administrators presently have in their possession cash of \$53,127.01 held in a checking and money market account for the estate and securities and money market funds held in a brokerage account amounting to \$196,831.72.

The Co-Administrators pray as follows:

- 1. That the statutory period of administration run for a duration of 18 months instead of 12 due to the necessity of filing a federal estate tax return pursuant to §12200 et seq.;**
- 2. That due to unsettled issues relating to the real estate and desired marketing thereof to effect distribution, the Co-Administrators be granted an additional 6-month period ending in September 2015 in which to either file a Petition for Final Distribution or a Second Report of Status;**
- 3. Any other order or orders as the Court may deem appropriate under the circumstances.**

Note: All heirs waive the filing of an additional bond in excess of the bond originally obtained (\$85,000.00).

Status Report filed 5/8/15 states the Co-Administrators and other beneficiaries are in favor of and consent to ongoing administration until such time as the real properties can be cleared of any actual or potential contamination and can be sold in order to facilitate closure of the estate without distribution in undivided interests. Also, the Co-Administrators have been attempting to resolve their disagreement with the County of Fresno Tax Assessor over the proposed increase in reassessment of the parcels held in the estate. An appeal has been filed and they are awaiting a hearing before the Board of Supervisors. Petitioners pray that they be granted an extension until September 2015 to either file a petition for final distribution or a Second Report of Status.

Update: Second Report of Status filed 9/15/15 states the federal estate tax return has been filed showing no federal estate tax due, and accepted. Only one formal claim was filed in the estate, which was approved and paid. The estate is not yet in a condition to close for the following reasons:

1. Remediation is ongoing at the 77 acres in a particular area of the site where there had been contamination from an old oil storage structure at a cost of approx. \$79,000 so far, with a balance of \$31,000 remaining to be paid at this time. When favorable test results are received, they will seek certification of clean closure from the Regional Water Quality Control Board and will then actively market the property.
2. The Co-Administrators have received unfavorable reassessments from the Fresno County Tax Assessor and have appealed. They are still awaiting a hearing date.
3. Re the 19 acres, the Co-Administrators were approached by a local developer who is in the process of applying for city annexation and rezoning of approx. 100 acres south and adjacent to this land, and who sought consent of the Co-Administrators to include the estate's property, which lies between his property and the City of Fresno, in the annexation process. He has proposed to pay all fees associated with the annexation and rezone. The Co-Administrators believe this could occur within 4-5 months after application is filed, and believe this would substantially increase the value of the land.
4. Co-Administrators currently have in their possession cash of \$133,479.58.

Petitioners pray for an order:

1. **That due to the unsettled issues relating to the real estate and to the desired marketing thereof only after the parcels have been brought to their optimum condition for sale, the Co-Administrators be granted an additional seven (7) month period in which to either file a petition for final distribution or a third report or status; and**
2. **Any other orders that the Court may deem appropriate under these circumstances.**

Age: 17		<p>EUSTOLIA CAMACHO, petitioner, was appointed Administrator of the Estate of Jose Manuel Camacho on 04/29/2014. Letters issued on 04/29/2014.</p> <p>Petitioner requests: JOBITA SALAZAR be appointed as Guardian ad Litem for minor, Jonathan Salazar. Attorney Alex Gayton has agreed to represent Jobita Salazar.</p> <p>Petition states: Jobita Salazar is the daughter of the decedent. Counsel for personal representative spoke to Ms. Salazar in 2015 and determined that she wanted her interest in the decedent's estate to pass to the decedent's surviving spouse, Eustolia Camacho.</p> <p>Counsel for the personal representative prepared a disclaimer but inadvertently failed to include language that the disclaimer was binding on her heirs and assigns. As a result, the disclaimed interest passed is if only Jobita Salazar predeceased her father. That was not her intent at the time she executed the disclaimer.</p> <p>Appointment of Jobita Salazar as Guardian Ad Litem for her minor child is sought for the purpose of Ms. Salazar evaluating whether to assign the ward's interest in the estate to Eustolia Camacho and to execute an assignment if appropriate.</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p>Minute Order of 09/01/2015: Counsel reports that the mother is the proposed guardian ad litem.
